2010 RACE: 1701 Pigeons from 338 Fanciers from 27 countries

going to the **FAME & Money!**

¿Cree que tiene los mejores pichones del mundo?

Pero ¿no tiene los resultados esperados? O cree que es mejor criador que entrenador? Debería participar en del Derby Arona-TENERIFE. Para demostrar al mundo la calidad de sus palomas ¡volando sobre el mar!

Denkst Du, dass Du die idealen Tauben besitzt?

Aber Du hast noch keine zu erwartenden Leistungen erbracht, weil Du eher der Züchter als der Trainer bist? Vielleicht solltest Du bei unserem Tribünenflug mitmachen. Der Wettflug gehört zu schwierigsten Veranstaltungen seiner Art, bestimmt für äußerst erfolgreiche Tauben, wird auf Teneriffa das "Derby Internacional Arona-TENERIFE" veranstaltet. Während dieses Fluges fliegen die Tauben fast die ganze Strecke über das Meer.

**Do you believe you have great pigeons?**

But you did not achieve the expected results yet, because you are more a breeder than a trainer? Maybe you should participate in a One Loft Race then...One of the hardest one loft races, for really good pigeons, is the One Loft Race in Tenerife, "**Derby Internacional Arona-TENERIFE**", where pigeons have to fly almost the whole route over the sea!

**Denk je dat je goede duiven hebt?**

Maar je behaalde nog niet de verwachte resultaten omdat je meer een kweker bent dan een "trainer"? Dan moet je misschien eens deelnemen aan een one loft race. Zo'n one loft race, één van de hardste ter wereld, voor alleen de beste duiven, is de One Loft Race van Tenerife, Derby Internacional Arona-TENERIFE, waar de duiven bijna gans het traject over de zee vliegen!

# CANARY ISLANDS...

A paradise for your family and for your pigeons!

## Conditions for Entry

Pigeons will be received for placement in the quarantine lofts between 1 May and 30 September 2010. Final race in March 2011.

1. Pigeons to be rung with officially recognized 2010 rings. If these are not available, contact the organizers.
2. To ensure an equal chance, four reserve pigeon may be sent with every one entered pigeon.
3. A team consists of five pigeons: four reserve and one entered pigeons.
4. Entered is defined as a pigeon that the entry fee of 220 EURO€ has been paid.
5. Only entered pigeons compete for any prize money
6. Once pigeons have been assigned to a team they cannot be transferred to another team.

## Hot Spots

All entered pigeons will compete in these Hot Spots, that is pigeons whose EURO€220 entry fee has been paid. Reserve pigeons not entered will not be eligible to win any prize money. After first OFFSHORE training, un-activated reserve pigeons will be made available to the public. These are pigeons that are currently "UN-ACTIVATED" by their owners and will be available to be purchased by anybody for €220. In the event that a Hot Spot has to be postponed and cannot be rescheduled, prize money will be carried forward to the next Hot Spot.

## The Auction

1. The first 100 birds returning before the Organizers close the race will be sold by way of Internet auction.
2. Any not sold together with late returnees will be auctioned in a separate auction after the first 100 auction has finished.
3. Pedigrees must be provided by Registrants before the first offshore race, as failure to do so will forfeit rights to their percentage of any auction money.
4. To achieve the highest possible auction value for winning birds. The first 10 'Final Race' position birds, together with the first 10 'Ace Bird' positions, may be auctioned on www.pipa.be at the ratio of 35% Registrant, 35% Organizers and 30% Pipa.
5. The remaining birds will be auctioned on the Organizer's Internet web site at www.derbyarona.com/auction at the ratio of 50% Registrant and 50% Organizers.

## The Race

1. The race will cover a distance, dependant on circumstances, to provide a fair test of the pigeon's ability to negotiate the journey back to Arona-TENERIFE on the day of liberation in approximately five to ten hours. The pigeons will be liberated as early as practical at the discretion of the organizers. The race will close at the discretion of the organizers
2. On basketing day, all pigeons going to the race will be electronically logged in public and verified by the Auditors, wing stamped and identity ring obscured.
